

GREEN ENERGY FOR SMART LIVING

KREEPA GREEN POWER EXPO 2017

24 - 26 OCTOBER
BOLGATTY PALACE & ISLAND RESORT

Technology Conference | National & International Speakers | Exhibition

Organized by: **Kerala Renewable Energy Entrepreneurs' & Promoters Association (KREEPA)**

In association with & supported by:

Our dream is to see the transition of Kerala State to the full use of Renewable Energy in the near future. This would go a long way to keep our environment clean and healthy. Let us join hands together to make this dream real. I extend a very hearty welcome to you for our Green Power Expo 2017.

Fr. Dr. George Peter Pittapillil, CMI
President, KREEPA

In a new era of sustainable development and responsible climate change plans, green power emerges as a key player to provide energy security. MNRE through its national solar mission has set an audacious goal towards an RE based economy. With an aggressive growth target in RE of 175 GW by 2022, Solar capacity has increased over 370% in the last 3 years from around 2.6GW to 15.6 GW

KREEPA joins this future definition moment by inviting everyone to partner with us at GREEN POWER EXPO 2017 to showcase the future of RE and engage in brainstorming sessions with the leaders of the industry and regulatory bodies

CONFERENCE SESSIONS

The conference is focused on various advanced and futuristic renewable energy technologies, aiming at 100% transformation to a green energy future. There are 20 technical sessions and the tentative topics include:

Flotovoltaics | Open Access and Green Power | Grid integration of Distributed Energy Resources | Wind Systems & wind –solar hybrid | Hybrid Systems - Grid Export with Storage | Technologies in Large Scale Energy Storage Systems | Mini/Micro Hydro System, Pumped Hydro and Retrofits | Evolving Cell Technologies in SPV | Sustainable future transportation – EV, hydrogen & bio fuel | Green Jobs & need of skill development/training | Solar Heating and Cooling for Buildings | Biomass energy potential'

SPEAKERS' PROFILE

National and international speakers includes experts from Ministry of New and Renewable Energy (MNRE, Govt. of India), National Institute of Solar Energy (NISE), Agency for Non-conventional Energy & Rural Technology (ANERT, Govt. of Kerala), Skill Council for Green Jobs (SCGJ), Kerala State Electricity Board Limited (KSEBL), Energy Management Centre (EMC), Kerala State Electricity Regulatory Commission (KSERC), Solar Energy Corporation of India (SECI), Eminent Scholars from Academy and Experts from solar and other renewable energy sectors.

EXHIBITORS PROFILE

Leading manufacturers, suppliers, technology and service providers of Solar Photovoltaic & Components | Solar Thermal Technology | Batteries / advanced storage technologies and products | Solar Drier | Bio gas/ Biomass | Small wind energy systems | Energy Efficiency & Waste Management | RE Training institutions Banks/Financial Institutions | Insurance & many more

STUDENTS' INNOVATIONS IN RENEWABLE ENERGY

The event shall also extend a platform for talented students of engineering or any technical stream, to present and showcase their unique, innovative projects/products related to renewable energy. The interested students team of not more than 3, should register through their institution/dept head along with an entry fee of INR 1000/-. For detailed terms of participation, visit KREEPA website. Selected best projects shall receive merit certificate and cash award.

BOLGATTY EVENT CENTRE

Bolgatty Event Centre is located just off the Kochi Marine Drive. It is a fascinating island of calm right in the midst of the bustling City. Overlooking the backwater, and the Arabian Sea is the Bolgatty Event Centre. The venue, can be easily accessed from the heart of Kochi city. Free transportation will ply between High Court and the Event Center at regular intervals.

KREEPA GREEN POWER EXPO 2017 MEETS THE GREEN PROTOCOL

Committed to an Eco friendly Green Energy Future, Kreepa Green Power Expo 2017 shall meet "The Green Protocol", in association with Kerala Suchitwa Mission, Harithakeralam and District Administration". We invite you to join hands with us and make this event a clean, green testimony.

***Avoid usage of plastic & non bio- degradable materials at the venue.**

AIR CONDITIONED STALL LAYOUT

STALL TYPES & FACILITIES

TYPE A (55nos)

Dimension 3m x 3m
 Facilities
 One Fan
 One 15Amp Plug point
 One Table Two Chairs
 Front Facia

TYPE B (18nos)

Dimension 3m x 2m
 Facilities
 One Fan
 One 15Amp Plug point
 One Table Two Chairs
 Front Facia

TYPE C (8nos)

Dimension 2m x 2m
 Facilities
 One Fan
 One 15Amp Plug point
 One Table Two Chairs
 Front Facia

BANK DETAILS FOR NEFT/RTGS

Beneficiary Name

Kerala Renewable Energy Entrepreneurs and Promoters Association (KREEPA)

Beneficiary Bank

Federal Bank Ltd, Kaloor Branch, Kochi – 682 017

A/c No: 142 101 000 34569

IFS Code: FDRL 0001421

MAIN SPONSORSHIP

Type	Amount	Expo stalls (type - A)	Clip Ad @ 60 sec	Delegate Pass	Presentation	Logo
Platinum	Rs.500000	4 Nos	8	4/day	20 min	Logo in promotions
Gold	Rs.300000	3Nos	5	3/day	15 min	Logo in promotions
Silver	Rs.150000	2Nos	3	2/day	10 min	Logo in promotions
