## KREEPA GREENPOWER EXPO 2022

### Greetings from Kerala Renewable Energy Entrepreneurs and Promoters Association (Kreepa) !

Kerala is poised to reach 95% of energy need from RE by 2050. Govt. of Kerala gives committed focus to multifold the power generation and to reduce the energy import to the state from the present 70% to 50% by 2030. The On-going & upcoming major RE programs in Kerala includes Saura, PM Kusum, Floating solar and Storage Hybrid systems. Next 5 years, "Kerala Haritha Mission" targets to execute 3000MW Solar plants by On Grid, Off Grid and Hybrid mode from Roof top, Ground mounted, Floating and Waste land. In addition, private sector is expected to invest for atleast 1000MW.

**The 5th edition of KREEPA GREEN POWER EXPO 2022 from 10-12 November 2022 at The Event Centre, Bolgatty Palace & Island Resorts, Kochi, Kerala** shall enable the sponsors and exhibitors to showcase their products and services to the industry's largest gathering of qualified decision-makers of potential buyers/clients from residential, institutional, Commercial & industrial sector, trade visitors etc from all over Kerala as well as neighboring states and regional trade/industry bodies.

The 3 days event supported and guided by MNRE (GoI), MSME (GoI), National Institute of Solar Energy (NISE), Dept. of Power (GoK), ANERT, KSEBL, EMC, Electrical Inspectorate & Dept. of Transport (GoK) etc shall also feature technology conference, student workshops, regulatory & policy seminars, live demonstrations etc.
